## **Message from the Premier of Saskatchewan**

On behalf of the Government of Saskatchewan, it is an honour for me to provide greetings for the 7th Annual Military Service Recognition Book.

Saskatchewan is proud of our military heritage and we reverently acknowledge our profound debt of gratitude to those who have given so much. We take great pride in today's service personnel for their courage and sacrifice in our defence and in protecting those unable to defend themselves. For more than a century, Saskatchewan men and women have distinguished themselves as members of the Canadian Armed Forces. And, it is with utmost respect that I commend those in uniform, past and present, for their strength, valour and selflessness in serving our country.

I am pleased for this opportunity to express the gratitude of Saskatchewan people to The Royal Canadian Legion as the "Keepers of Remembrance"; and, for input from families of those profiled in this extraordinary publication. As a historical resource, this book enables us to meet more personally the military personnel who made immense contributions to protect the freedoms we cherish.

Thank you to all of our Veterans for the gift of peace and to each member of the Armed Forces for keeping us secure. We will never forget your unfailing devotion and we are intensely proud of your selfless courage.

Brad Wall  
Premier

## World War II Veterans Remembered At High School Provincial Football Playoff

The Bud Weaver Memorial Trophy is awarded annually to the Saskatchewan High Schools Athletic Association's 4A Provincial Football Champion. The provincial football championship game is held every year on the second weekend in November. The championship trophy is named the Bud Weaver trophy which honors the late Bud Weaver. The 2012 championship game marked the 64<sup>th</sup> anniversary of the tribute. Bud died while serving with the RAF during World War II.

Harold (Bud) Weaver attended Bedford Road Collegiate and the University of Saskatchewan where he played as a halfback and punter with the Huskies. He also played professionally for some time following his days with the Huskies. In May 1941 at age 28, he was posted overseas. He was killed in action on September 20, 1941.

Until 1946, a provincial high school final had never been held, but in the course of a few days that November, the idea took wing. Four days before the game, Ross Pinder, a former Huskie quarterback, got together with the University of Saskatchewan coaches. They each contributed \$15 toward buying a trophy to be awarded to the provincial high school football champion. In honor of Bud Weaver and other Huskies the inscription reads: *In revered memory of the members of the University of Saskatchewan Huskies who lost their lives in the Great War 1939-45.*

After serving in Europe, Wes completed high school and took advantage of the short teacher training offered in the province. He taught for a short time at Sudom School, south of Rouleau, but turned to his real interest, farming. On February 16, 1924, Wes married Norma Wilson with whom he had three children. He received the Distinguished Flying Cross after a particularly difficult engagement on a bombing mission over Stuttgart, Germany on September 9, 1943. He left the service in Winnipeg in 1945 as Flying Officer, got married and had four children. He returned to Plunkett where he and his wife operated Plunkett's General Store for 26 years. **LAFONTAINE, Léon**

**LAING, William "Bill"**

**WWII**

Bill was born in Stockholm, Saskatchewan on November 15, 1921. He enlisted in Regina in August 1942 in the Royal Canadian Air Force and served in Alaska, the United Kingdom and Northwest Europe. He says he served on fighter squadrons 111 and 440 but cannot give a name to his job. However, on both jobs, he had to find pilots to fly the planes required for a specific mission and that involved a fair bit of phoning. He left the service in Winnipeg in the spring of 1946 as Leading Aircraftman. After the war, he worked for a time with his father who was an Imperial Oil agent in Stockholm and then became a Wheat Pool country elevator agent at Spy Hill, Steelman and Wordsworth. Later, he worked in the potash mine at Esterhazy, Saskatchewan. Married with a son and two daughters, Bill joined the Stockholm Legion Branch 265 and was also a member at Spy Hill before moving to Saskatoon.

*Thank You For Our Freedom*

Each year, Remembrance Day is celebrated across Canada to pay tribute to the men and woman who have served our country. For Veterans, it is a day to remember and pay homage to those who did not return home from conflicts around the globe, comrades who gave their lives in support of the ideals of freedom, democracy and the right to live in peace.

Wearing a poppy and attending Nov. 11th services is a small but important way to show respect and support for veterans who have served in countries where freedom can be elusive and enemies are hard to distinguish from friends. Our world has changed, but those who serve stay remarkably the same, committed to comrades and country. On behalf of City Council and the residents of Yorkton, let's be sure "We remember them".

Sincerely,  
Bob Maloney  
Mayor

When WWII broke out, Gilbert joined the Regina Rifles in 1940 and he served in England and France. Graydon then re-mustered for pilot training and flew a second tour with 427 Squadron as a pilot flying Halifax Bombers. Both tours were with Bomber Command over Continental Europe. Between his first and second tour, Graydon returned to Canada and married Gwen Ferguson of Morden, Manitoba. He left the service in 1945 as Squadron Leader. After the war, he joined Canada Department of Agriculture and worked for 25 years in food science research in Winnipeg, then moved to Saskatoon where he retired. He has a son and daughter.

He returned to England at the end of the war and in 1903, he and his two brothers set sail for Canada where he settled in Saskatchewan's Kiskey area, pioneering the land and working for his neighbours. In 1913, he married Ellen Thompson, also from England. In 1915, James joined the Canadian Army Service Corps in Winnipeg and was sent to France where he worked as a ferrier as horses were used in many areas of army transport. In 1918, he came home and met his young son James who was born while overseas. In 1920, the family moved to the Paddockwood area to farm in the Elk Range School District. James and Ellen had three sons who served in WWII. James often played his trumpet for Remembrance Day services at Christopher Lake and he was a Legion member. He died in 1958.

During this time, he was promoted to Squadron Leader and following his missions, was assigned to Operation Headquarters. In 1943, Philip was awarded the Distinguished Flying Cross for bringing his plane and crew home safely after two engines failed. After his discharge, he became involved in the Alberta oil industry and married Orla Brenkenridge in 1960, raising three children. Philip's family lived in Sherwood Park, Alberta and he passed away in December 2007 in the Kipnes Veterans Home in Edmonton.

# Forget Them Not

We've lined their boots all in a row,  
 And amongst them stand,  
 The saddest scene I'll ever know,  
 Goodbye dear friend, goodbye!  
 Through mud and rain and battle blows,  
 We cried cursed prayers,  
 On blood-soaked clothes;  
 And from that wound his life did flow,  
 Please stay we begged, please stay!  
 There is a time that soldiers know,  
 When so many die,  
 That the pain and woe,  
 Is too much for the mind to hold;  
 Roll on your drums, roll on!  
 A band of brothers stand in their rows;  
 The empty boots still,  
 Where a life did grow,  
 Our friends have gone, no more to know;  
 Remember them always, remember!
