Proud To Honour Our Veterans

President's Message

Greetings to all! Saskatchewan Command of The Royal Canadian Legion is again very proud to present to you our Third edition of the Military Service Recognition book which makes four published booklets in all on a yearly basis for our Command with the first one being our Provincial Commemorative History Book that was circulated around the Province four years ago.

I would again like to take this opportunity to thank all the Branches and individual family members that have provided pictures and information on their loved ones who served or who are serving at the present time. Plans are underway for more editions of this Military Service Recognition book so we encourage everyone to submit pictures and information on our servicemen and women to be included in one of these future booklets.

We feel that this booklet is a great tool for the youth or our nation or anyone interested in military history to learn about the sacrifices of our great men and women from conflicts of the past and also current conflicts at the present time. All of these brave men and women deserve recognition for their services and for you all to know who they were and are, and there are thousands and thousands more out there!

We would also like to thank the many individuals and businesses that make yearly donations towards the publication of these books. It is very much appreciated and does not go unnoticed. Your help ensures that these servicemen and women will never be forgotten!

Please ensure that this book is circulated around your school, library and any other community centre in your area. That is the intent so that it is viewed by as many people as possible.

We hope you enjoy reading this book. A great effort has been put into its publication and we look forward to more!

Thank you.

He joined the RCAF in 1941, and was trained as a Bomb-Aimer Navigator. In 1943, he went overseas attached to an RAF Squadron, flying Lancaster Bombers in Canada and England. He completed one tour of operational duty and considered himself very fortunate, as there were five Birch Hills boys who were (to his knowledge) in air crew and he was the only one who was not shot down. After returning to Canada and completing his service career instructing at a base near Vancouver, Ernie farmed. He married Myrtle Hanson and raised a family of four. He then worked for the Penitentiary Service and retired in Drumheller, AB.

He was wounded and captured by the Germans. He returned to Canada and married Margaret McPhail in 1939, and they had a daughter, Uldis. Bill was in the Royal Canadian Navy for a time in WWII, escorting naval recruits across Canada. He passed away in 1966, and his wife passed in 1976. They are buried at Bracebridge, Ontario. Bill had been a longtime member of The Legion.

They went to France in July 1945, and Willie returned to Regina and was discharged in 1946 to return to farming. He married Irene Cline in 1973, and they spent many years growing championship flowers, winning many prizes at fairs.

His company was getting some well-deserved rest in a hayloft when they received news that the war was over. They were sent home on the Queen Elizabeth II.

ECKERT, Benjamin Richard "Ben"

He would never talk about his war experiences but probably experienced many horrid incidents.

On behalf of the citizens and city council of Yorkton, it is with great honour that I extend my gratitude and appreciation to the Veterans of our great country.

With the spectre of war and oppression so far away from Canada, many people take our military people for granted. The sacrifices that have been made and are continuing today deserve recognition, appreciation and the promise that we will never forget their efforts. With my father having served in the forces I have a definite respect for our veterans but I believe I speak for all when I say Thank You and God Bless.

Sincerely,

An invasion was taking place on the shores of France and a call was made for more paratroopers and he and other flyers volunteered. After a six-month course, they graduated in 1944 and most of them went overseas. Some of them were grounded because of a training accident and some of their buddies were killed. After the war with Germany, a lot of them volunteered to join against the war in Japan. In 1994, he went to Holland to the 50th anniversary of the Market Garden, which was one of the worst WWII battles ever involving 5000 aircraft and 2500 gliders loaded with 30,000 airborne troops.

Guarding Canada's coast against possible enemy attack was a horrendous task; extreme isolation with which many airmen were unable to cope, small barracks, no electricity, no refrigeration and no roads. Discharged in Regina in July 1945, after two years and 221 days of service, Ken continued his interest in the military by serving as Commanding Officer of three Cadet Squadrons in the province - Carlyle, Saskatoon and North Battleford.

# Forget Them Not

We've lined their boots all in a row,  
 And amongst them stand,  
 The saddest scene I'll ever know,  
 Goodbye dear friend, goodbye!  
 Through mud and rain and battle blows,  
 We cried cursed prayers,  
 On blood-soaked clothes;  
 And from that wound his life did flow,  
 Please stay we begged, please stay!  
 There is a time that soldiers know,  
 When so many die,  
 That the pain and woe,  
 Is too much for the mind to hold;  
 Roll on your drums, roll on!  
 A band of brothers stand in their rows;  
 The empty boots still,  
 Where a life did grow,  
 Our friends have gone, no more to know;  
 Remember them always, remember!

*LEST  
WE FORGET*

## In Flanders Fields

*In Flanders fields the poppies blow  
Between the crosses, row on row,  
That mark our place: and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.*

*We are the Dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved and were loved, and now we lie  
In Flanders fields.*

*Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch; be yours to hold it high.  
If ye break faith with us who die  
We shall not sleep, though poppies grow  
In Flanders fields.*

Lieutenant-Colonel John McCrae

# A lasting tribute for service and sacrifice.

The **GeoMemorial Program** has been expanded to honour those who have given their lives in the service of the province or country, including members of the Canadian armed forces, police officers, firefighters and emergency response workers.

The **GeoMemorial Program** offers a permanent tribute to these brave men and women along with others who have served our province with distinction and dedication.

To date, nearly 4,000 lakes, bays, rivers and islands in the province have been named for individuals who have given selflessly in the performance of their duties.
