President's Message

This message brings you greetings from the Saskatchewan Provincial Command of The Royal Canadian Legion. We are very proud to release the fifth edition of this Military Service Recognition Book. These books honour Veterans past and present, and this next edition is a continuation of that effort.

We are always on the lookout for submissions for future books. We will hopefully continue to publish these books as long as we have family members and Branches that will send us pictures and information for inclusion in the books.

Canvassing for donations is underway for the production of our next Military Recognition Book, so when you receive a call, you will know what it is all about. The next book is slated for release in the spring of 2013.

Please contact the Saskatchewan Command Office in Regina if you are interested in adding a family member or a multitude of Veterans for one of our future books. We will give you a submission form that you can complete and paste a picture onto as well.

Our website also contains the submission form at:

www.sasklegion.ca

All the previous books that have been produced are also on the website for your viewing pleasure. They can be downloaded and portions printed as well.

I would like to extend my thanks and appreciation for all the family members and Legion Branches that have submitted pictures and information on the Veterans that are contained in this book. It is a true tribute and a great show of our appreciation for their sacrifice so that we can enjoy our current way of life in Canada.

This book is intended to be placed in the Schools, Libraries and Educational facilities that are in your community to review and enjoy and learn a little more about what the citizens of our area have done and are currently doing on our behalf.

Enjoy this 5th edition! Saskatchewan Command is honoured to provide this tribute to our military personnel.

Dominion President's Message

I am honoured that once again Saskatchewan Command of The Royal Canadian Legion has asked me to provide a forward to this Military Service Recognition Book. As a native of Saskatchewan I am very proud of the military involvement of our people in the past and the present.

In this book, published by Fenety Marketing Service for The Royal Canadian Legion in Saskatchewan, you will find more faces of those men and women from Saskatchewan who have served this country in our military. Many paid a high price for the freedoms that we enjoy today and many came home to go on to be the leaders of Saskatchewan. Many more became the backbone of this province. They all contributed to Canada, and this great province of Saskatchewan. For this we owe them. Using this publication, we pay back some of that debt by ensuring that those who have passed on, and those that are still living, are not forgotten for their sacrifice.

Once again Saskatchewan Command has lived up to the aims and objects of The Royal Canadian Legion with the publication of this book. Those who have served, or are still serving, will not be forgotten. They will live on in the pages of this book. As I have said in the past, it is a tribute that is well deserved.

As you go through this book, stop and think about all of those who have gone to war, or to missions, to make Canada and Saskatchewan a better place for us to live. We will remember them because we must never forget the sacrifices they have made for us.

Patricia (Pat) Varga
Dominion President

Message from the Premier of Saskatchewan

On behalf of the Government of Saskatchewan, it is my distinct honour to provide greetings for the 5th Annual Military Service Recognition Book.

This publication is a great resource for our youth and all those interested in learning more about military history and the immense contributions of our Canadian Armed Forces to protect the freedoms we cherish as Canadians.

The people of Saskatchewan are profoundly grateful to our current service personnel and Veterans for their courage and sacrifice in defense of our country and those unable to defend themselves.

I would like to take this opportunity to thank everyone who helped to make this publication possible, including the family members of the servicemen and women profiled in this book. Your support helps The Legion to continue to fulfill its role as the “Keepers of Remembrance” as well as sustain many ongoing community activities for Saskatchewan’s Veterans and their dependants.

By remembering the service and sacrifice of our Veterans, we honour their legacy of peace and freedom that they gave so selflessly.

Let us never forget.

GOUTHER (nee CARROTHERS), Evelyn M.

PEACETIME

Evelyn was born on November 1, 1938 in Portage la Prairie, MB. She enlisted on December 1, 1985 and became an officer cadet in 107 Air Cadets Squadron in Saskatoon, SK. After several promotions, she became captain and officer commanding the squadron, a position she held for six years until she left the service in 1993. The reason she came to the air cadet work later than some was because she first raised a family of two sons and one daughter. Her eldest son, Leslie Wilson, was active in 702 Squadron air cadets and in 1973 when he was WO, was judged Saskatchewan's air cadet of the year. She worked at Saskatoon City Hospital for 23 years, the 17 years before her retirement in 1996 as manager of switchboards. Tom Gouther, her husband, is also a member of RCL Nutana Branch 362.

Let us honor the spirit of courageous men and women who have fallen in the service of our country. These brave souls come from all walks of life and from every corner of this great country. They were fathers, sons, mothers and daughters; they were members of our families, our friends and our neighbors. They were ordinary people until they were asked to make extraordinary sacrifices in the extraordinary times of war.

We are humbled and grateful for their sacrifices in the service of our country. We appreciate their courage, their dedication, and their commitment to peace and to the rights and freedom of mankind.

On behalf of the City of Swift Current - We honor you and give special acknowledgment to The Royal Canadian Legion.

Vertical Axis WIND TURBINES

VBINE has developed the world's first direct drive vertical axis wind turbine.

Vbine's Turbine uses patented technology to deliver 5kw of power while providing unmatched durability and performance in lower wind applications. With a patented blade design that truly starts on its own with just a breeze and still draws the maximum horsepower from the wind.

Vbine has built a 5kw generator with low maintenance. Ideally suited for applications that require the utmost safety, Vbine's low tip speed and stealth operation make it a perfect choice for urban setting with either a grid tie application or battery charge controller for remote installations.

The direct drive technology and low rotation speed lends itself perfectly to in-line installations on communication towers (a first for the industry).

On behalf of the citizens and City Council of Yorkton, it is with great honour that I extend my gratitude and appreciation to the Veterans of our great country.

With the spectre of war and oppression so far away from Canada, many people take our military people for granted. The sacrifices that have been made and are continuing today deserve recognition, appreciation and the promise that we will never forget their efforts. With my father having served in the forces, I have a definite respect for our Veterans but I believe I speak for all when I say, Thank You and God Bless.

George passed away in 1963. He was a Life Member of Wadena Branch 62 of The Royal Canadian Legion in Saskatchewan.

PRINCE, James Henry

BOER WAR & WWI

James was born in Parwich, England in 1876. As a young man, when the Boer War broke out, he joined the Sherwood Forest Derbyshire Regiment. After a short training period, he was sent to Cape Town, South Africa and stayed in the Army until the war ended in 1903. He returned to England and married Elsie West in Sudbury, England. Shortly after, he went with his brother, George, to Canada. The situation in the early 1910s in prairie province meant a lot of hard work, cutting down trees to build a home, no power, and no telephones. But they endured, clearing bush for farming. After about seven years, his wife, Elsie, came out. They had no family. Jim passed away in 1950. He was a Life Member of Wadena Branch 62 of The Royal Canadian Legion in Saskatchewan.

PRINCE, John William "Jack"

WWII

Jack was born in 1918, the fifth child born to George and Sarah Prince of Kuroki, Saskatchewan. Jack enlisted with the Army in 1940, did his basic training at Dundurn, Saskatchewan and was then sent to Prince Albert, where he served with the Prince Albert Volunteers as a driver mechanic. He was sent for further training to Nanaimo and Tofino on Vancouver Island and to other centres. While in Canada, he was promoted to Corporal. Jack served in Canada and England, was discharged in 1946 and returned to Canada in 1947 when he married Anna Pawluk. Jack and Anna had three daughters and a son. Jack was able to get a loan from the Veterans' Land Act and farmed for 55 years. John was a Life Member of RCL Wadena Branch 62. Jack passed away in 2003.

WE REMEMBER.

YOUR SASKATCHEWAN PARTY MLAS

We must remember the sacrifice of those Canadian lives lost in conflicts around the world - or it will be meaningless. They died for us, for their homes and families and friends, for a collection of traditions they cherished and a future they believed in; they died for Canada. The meaning of their sacrifice rests with our collective national consciousness; our future is their monument.

Let us never forget

We support our Canadian Armed Forces
