President's Message

On behalf of **Saskatchewan Command of The Royal Canadian Legion**, I am very proud to present the release of the 9th edition of the Military Service Recognition Book. These books honour the service and sacrifice of our Veterans past and present, who have fought for and defend our freedom.

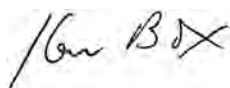

I would like to extend my thanks and appreciation to all the families, Legion branches, schools and individuals who have forwarded submissions for this book and future books. Submission forms are available at your local Legion branches, the Saskatchewan Command office in Regina and online at www.sasklegion.ca. We have only recognized a fraction of our veterans, so please keep the submissions coming.

I would also like to thank Fenety Marketing Services and the generous donations of all individuals, businesses, and organizations that they have canvassed. Without all of you this project would not be possible.

I would also like to sincerely thank Saskatchewan Command office staff for the countless hours of assembling and proofreading for this book.

The existence of these books ensure that our Veterans will never be forgotten!

Message from the Premier of Saskatchewan

On behalf of the Government of Saskatchewan, it is my distinct honour to provide greetings for the 9th Annual Military Service Recognition Book.

The people of Saskatchewan are profoundly grateful to our current service personnel and Veterans for their courage and sacrifice in defence of our country. This publication is a great resource for our youth, and all those interested, to learn more about military history as well as the contributions of our Canadian Armed Forces who protect the freedoms we cherish as Canadians.

Thank you to everyone who helped to make this publication possible, including the family members of the servicemen and women profiled in this book. Your support helps the Legion to continue to fulfill its role as the "Keepers of Remembrance".

The Legion is also to be commended on the ongoing dedication to community activities for Saskatchewan's Veterans and their dependants.

By remembering the service and sacrifice of our Veterans, we honour the legacy of peace and freedom that they gave so selflessly.

Let us never forget.

Brad Wall
Premier

The cenotaph is located in Memorial Park beside The Royal Canadian Legion Nipawin Branch 120 at 328 1st Avenue in Nipawin. It was originally erected in front of Central School near the Town Office in 1985 but was moved to its current location in July of 1996 when the school was set for demolition.

The 7000-pound cenotaph honours those from Nipawin and surrounding areas who served. The mural tracing Canadian military history on the side of the Branch provides a beautiful back drop.

The original Legion Hall in Nipawin was built in 1947 but additions and renovations have brought it to its present size.

In August of 2012, the town of Nipawin, Saskatchewan fulfilled the dream of an Air Force Veteran by hosting the first Wounded Warriors Weekend.

It was an unprecedented event designed to aid in the healing process and promote awareness of the challenges of PTSD faced by our Wounded Warriors.

In the ensuing years, Wounded Warriors Weekend has grown to include Veterans and active duty military personnel, firefighters, RCMP, trauma nurses, correctional officers, police officers, EMTs, first responders and their families.

The unparalleled success of Wounded Warriors Weekend is a testimony to the determination and dedication of the hundreds of volunteers who help make our Wounded Warriors Weekend a reality every year.

This program raises much needed public awareness about Service Dogs and their presence in society; it also provides Service Dogs to needing Saskatchewan Veterans. Your ongoing support makes it possible to change the life of a Veteran, one Service Dog at a time.

Throughout the course of our lives there are very few things that people have put their faith and trust in to save lives; highly trained dogs are one of them. Be it a Military Working Dog looking for explosives on a distant battlefield, a Service Dog helping a

wounded Veteran or abused child navigate through life or a Police Dog securing the streets, these dogs have been on the front lines defending and serving the people of Canada and the United States to not only secure our freedoms but keep us safe.

Discovering the Power in Me

Creating a Future of Strength and Hope

This program is a partnership between Wounded Warriors Weekend, the Pacific Institute and The Royal Canadian Legion Saskatchewan Command and its Branches.

The **Discovering the Power in Me** program was designed and developed by persons with disabilities, health experts, and the Pacific Institute. Our purpose is to help build hope, strength and resiliency in Veterans, currently serving Military, RCMP, first responders, continuous care providers and their families. We have considerable experience delivering this program in both Canada and the U.S.

This program teaches people to manage change, set and achieve goals, be more effective, and to think in ways that create success. The underlying theme is that everyone can control his or her own thought process to overcome symptoms and lead happy, healthy lives.

Since the start of this program in July 2013, we have hosted nine seminars: Saskatoon – 5, North Battleford, Regina, Nipawin, and Lloydminster. The branches supplied a safe place to hold the seminars, lunches, comfort food at breaks and a welcome to all participants. I thank our branches on behalf of the participants.

The seminars are conducted by Blake Williams, Master Facilitator and Pacific Institute Global Managing Director; Pat Varga, Past Dominion President and Past Saskatchewan Command President; Facilitator in Training and occasionally Blake Emmons, President and

CEO of the Emmons Groups and founder of Wounded Warriors Weekend Foundation Inc. It is truly a partnership that is working very well and that we hope will continue.

The response from the CF Joint Military Support Unit in Saskatchewan was very positive and as a unit made the following recommendations to the Integrated Personnel Support Unity in Winnipeg:

- “Overall we as a team feel that it was an excellent program for both staff and clients as it is a good life coach, excellent transition to civilian and can potentially bridge with other programs for after the military.
- We recommend running a separate course for all of the prairie region staff only as it will also help with team building.
- We recommend that our clients and their spouses are encouraged to attend and we cover the cost of TD for our members.”

These recommendations with hopefully open the doors to the currently serving and about to be released military and their families that we have been aiming for since the start of the program.

Paul was born in Maple Creek, SK in 1917. He served with the Canadian Army in Canada. He joined as a Private with #14 Aerodrome Defence Platoon in Dundurn, SK on September 4, 1942; he served with the 1st Bn. FALLOON, George Hugh

WWII

George was born on October 28, 1916 in Strasbourg, SK. He joined the Air Force during the Second World War and served with the #407 Squadron in England, #75 Squadron in New Zealand and #7 Pathfinders (194) on return to Britain. With the exception of Le Creusot, Cologne and Hamburg, all of his trips were to the Ruhr. He was injured on December 24, 1943 resulting in his transfer to ground duty. He was the first Canadian Flight Engineer to win the D.F.M. During a raid on Le Creusot, the bomber was hit by flak. The cable controlling the supply to several petrol tanks was broken and oil seeped into the fuselage. Using an axe to gain access to the wing, he repaired a broken oil line. The safe return of the aircraft to base was undoubtedly due to his resourcefulness and complete disregard for personal safety. Most of his flights were on Lancaster and Stirling Bombers. He was a member of the Smeaton Legion Branch 319 for thirty-one years and was with Forest, MB Branch from 1944 to 1959. George passed away on July 28, 1991.

*Words cannot express
 the gratitude we feel for
 our Veterans.*

Each year, Remembrance Day is celebrated across Canada to pay tribute to the men and women who have served our country. For Veterans, it is a day to remember and pay homage to those who did not return home from conflicts around the globe, comrades who gave their lives in support of the ideals of freedom, democracy and the right to live in peace.

Wearing a poppy and attending Nov. 11th services is a small but important way to show respect and support for veterans who have served in countries where freedom can be elusive and enemies are hard to distinguish from friends. Our world has changed, but those who serve stay remarkably the same, committed to comrades and country. On behalf of City Council and the residents of Yorkton, let's be sure "We remember them".

Sincerely,
 Bob Maloney
 Mayor

JOHNSON, Leslie Gilbert

Leslie was born on June 18, 1938. He was a member of the Queen's Own Rifle and PPCLI and served as a Sergeant from October of 1956 until July of 1977. He was awarded the C.D. and NATO. Leslie passed away on January 18, 2009.

JOHNSON, Oscar

WWII

Oscar was born in 1924 in Ardill, SK. He joined the Regina Rifles and served in England, France, Holland, Germany and Belgium. He married and had five children. He worked for the Saskatchewan Government as a Forest Ranger for thirty-five years. He served two terms as president of the Smeaton Legion Branch 319 and was a member for thirty years. He passed away in the hospital on February 20, 1997. He was awarded the Military Medal. His citation reads: "This rifleman crawled forward the full length of the beach on D-Day under heavy fire, cutting his way through six feet of wire in a position that was directly covered by enemy small arms fire. He then went back and assumed the leadership of the remainder of his section, leading them through the wire into the enemy slit trenches, clearing them of enemy and enabling the remainder of the company to move forward into the safety of these slit trenches. From there he continued to move forward as a sniper, well ahead of his company. The latter was done entirely of his own initiative and he displayed rare courage and resourcefulness; at no time previously had he ever had charge of a section of men."

JOHNSON, Oscar

WWII

Oscar was born on November 29, 1916. He served as a Sergeant with the Canadian Army from 1942 to 1945 during the Second World War. He passed away on June 20, 1976.

KIRBY, James Howard

WWII

James was born on September 21, 1919 at his home farm in Hart, SK. In April of 1941, he took basic training with the Regina Rifles, living on Robinson Street and walking to the Armories each day. The night before James was to be put on the train for Ottawa to take the ship to England for the Normandy invasion during the Second World War, he was out with some of his battalion jumping hurdles and James seriously injured his left knee. James was not able to leave Regina, so he was placed on the injured list. He became an Officers Batman at the Regina Base. In August of 1942, James received an honourable discharge from the Army. He moved back to Scout Lake, SK and worked for the railroad. He married and had four children and they lived on his father-in-law's ranch and farmed, raising registered Horned Herford cattle. In October of 1979, they built a house in Rockglen, SK. James passed away in 2015 at the age of 95 and is buried at the Rockglen Cemetery.

Let us honour the spirit of courageous men and women who have fallen in the service of our country. These brave souls come from all walks of life and from every corner of this great country. PHILLIPS, Robert Ray

WWII

Robert was born on August 12, 1922 to Allie and Laura Phillips who farmed in the Tate area of Saskatchewan. Robert grew up on the family farm. The Second World War started when he was eighteen years old. His older brother Howard had already joined the Canadian Army and was serving overseas, so he decided that he would also join up. He went to Regina to volunteer his services and joined the Regina Rifles in 1942. He was posted in Ontario after basic training. In 1943, he was sent to Aldershot, England and was stationed there for the remainder of the Second World War, serving as a Lance Corporal. He told of being horribly seasick on the ship on the trip over to England and even hoped the Germans would bomb the ship because he was so ill. When the war ended, the soldiers were sent home on the ship Queen Mary and he had a much more pleasant trip coming home than going over to England. After the war, Robert returned to civilian life with his wife and family. He was a member of the Semans Legion Branch 108 before he passed away in 1989.

THOMSON, Norman R. H.

WWII

Norman was born in Regina, SK in 1921. He joined the Militia in university and attained the rank of A/Sgt. He joined the R.C.A. in Winnipeg as a Private and rose to the rank of Lieutenant in the 8th Regiment L.A.A. in England. He was awarded the Defence Medal, Volunteer Medal and War Medal 1939-45. Norm married Collette Dunk and they had three children. They resided in Brantford, ON where he worked for S. C. Johnson & Son. They moved to Kingsville, ON in 1999. He passed away in 2011.

THORSEN, Edward L.

WWII

Edward was born in 1925 in Paddockwood, SK. He served in the Royal Canadian Navy Volunteer Reserve Regular Force overseas as a cook from 1943 until 1945. After the Second World War, Edward worked as a cook in various mine and forestry camps in Northern Saskatchewan. He would be dropped off in the wilderness with a tent, a stove, and cooking supplies: then he would cook for the men working for a week to a month at a time. He bought land in the Northside/Paddockwood area near his birthplace. When he came out from his shifts, he spent time at his farmstead. Near the end of his working career, he worked in camps nearer to his home for Woodland Enterprises in more well-equipped kitchens. Edward never married. He died of cancer in 1991 at the age of 69.

THORSEN, Harvey R.

WWII

Harvey was born in 1915 in Paddockwood, SK. He served during the Second World War with the Regina Rifles Regiment in the 14th Canadian Hussars. He served as a Corporal from 1940 to 1945 in Belgium, Holland and Germany. He received the 1939-45 Star, France and Germany Star, Defence Medal and the Canadian Volunteer Service Medal and Clasp. Since Harvey was an older soldier, he was often a mentor for the young recruits in defensive and offensive missions. When Harvey joined the Armed Forces, he was a husband and father, so when he returned his young son was six years old and didn't know who he was. Harvey was married to Vivian White, and after the war they had two more children. He farmed the Thorsen homestead and then worked at the Prince Albert National Park as a greenskeeper at the Wasquesui Golf Course. Vivian and Harvey owned and operated the Red and White Store at Christopher Lake. They sold the store and retired to Spruce Point and then later in the Christopher Lake townsite. He worked to keep the St Christopher Anglican Church Cemetery neat, tidy, and organized. He was a member of the Christopher Lake Legion Branch 40 for forty years before he passed away on March 31, 2003.

Duwane was born on June 28, 1915 in the south of Bengough, SK. He joined the Army during the Second World War on January 13, 1943 and trained at Shilo, MB. He was stationed in England as a Driver Mechanic transporting troops. He was sent to France where he carried food to the front lines. On August 8, 1944, he was wounded and sent back to England. He continued to transport troops in England and after the war, he drove soldiers to the ships that brought them home. He was one of the last to leave. He was discharged on March 12, 1946. Bud received the 1939 -45 Star, France and Germany Star, and the Canadian Volunteer Service Medal. Bud returned to farm in the Hoath District of Saskatchewan until he retired to Willow Bunch in 1974. He was a longstanding member of the Willow Bunch Legion Branch 287 of The Royal Canadian Legion. He passed away on June 23, 1988.

WOOD, Lloyd Edward

WWII

Lloyd was born in 1924. He served as Able Seaman with the Royal Canadian Navy Volunteer Reserve aboard HMCS Unicorn from 1942 to 1945 during the Second World War. He passed away in 1987.

WOOD, Ronald Mark

WWII

Ronald was born on February 7, 1921 in Bengough, SK. He joined the Royal Canadian Air Force during the Second World War and took his training at the R.A.F. Station, Nassau, Bahamas. He was stationed overseas in England on August 17, 1944. From there, Flight Sergeant Wood went on many missions over Germany as a Gunner. On a mission the evening of February 20, 1945, his plane was attacked by JA88 fighters and went down near the German village of Sirhenausen. Five parachuted to safety while six perished. As the plane went down in flames, Ronald kept firing, scoring a hit and damaging one of the attacking planes. This is told by his navigator Ronald Johnson in a letter sent to his parents on May 22, 1945. A quote from that letter: "He did not let anyone down - he carried out the job for which he was trained more than magnificently."

War Brides

FRIETMAN, Wilhelmina Johanna “Miep”

Wilhelmina was born in Rotterdam, Netherlands. She met her husband Eric Walter on a blind date in Rotterdam where Eric’s communications unit was sent to do repairs. Despite the language barrier, they managed to get acquainted and fell in love. Miep was only 18 years old and her father would not allow her to marry; especially to a soldier with no job guarantee when he returned to Canada. The couple made the best of a two-year long-distance relationship until Miep was finally able to cross the ocean aboard the Waterman on June 17, 1947. After docking in Montreal on June 25, 1947, Miep boarded the train for Saskatoon where Eric eagerly awaited her arrival. They were married five days later on July 5, 1947 in a small Anglican Church in Saskatoon. Miep and Eric were married for 62 years and they raised six children. Eric passed away in 2009. Miep resides in Wynyard, SK.

THOMSON (MILLER), Grace Pamela

Grace was born on December 1, 1913. She was raised in St Mary’s Orphanage, Cheam, London, UK. She worked at Cane Hill Hospital, Coulsdon where she met her future husband, Joseph King Thomson, at a staff dance. They were married in St Andrews Church in Coulsdon, Surrey on October 19, 1941. Their daughter Sheila was born in 1942. Grace and Sheila came to Canada on June 10, 1946 on the Queen Mary and settled in St Walburg, SK after taking the train from Halifax. When Grace first arrived in St Walburg, she canned everything she could, thinking about the long, hard winters she had heard about (only to be surprised that the local OK Economy Store carried fresh produce even at 40 below). The family moved to Saskatoon in 1949 and she became involved in Girl Guides, teaching Sunday school and singing in the church choir. After Joe’s passing, she moved to Grande Prairie, AB to be near Sheila. She acted in many plays, musicals, pantomimes as well as being a member of the War Brides Association, Life Member of Girl Guides, Grande Prairie Legion Branch 54, Ladies Auxiliary, hospital worker, Sunday school teacher, and church choir. Grace passed away on September 18, 2006.
